Jenna Lewis

Pharmacy was not Jenna's original game plan for her career. She wanted to be a Speech Language Pathologist and ended up at PCA Pharmacy after graduating from undergrad and never left! Before starting at PCA Pharmacy, Jenna started as a Bartender / Server at Cunningham's Creekside in 2009. She also is the Owner of JAL Realty, LLC, where she owns 3 rental properties.

When Jenna graduated college she began her career here at PCA Pharmacy. She started out as a Second Shift Customer Care Representative (2014 — 2015), then an Administrative Assistant (2015 — 2016), and currently is an Account Manager (2016 — Present).

Jenna's parents have always had faith in her and pushed her to her fullest potential throughout life. They have and will always be there for her and push her to be the best person that she can be in her personal and professional life.

PCA Pharmacy has allowed Jenna to advance her career multiple times, and she is thankful for the many opportunities she has been presented with. She is taken advantage of Leadership Training at PCA and believes we have had tons of great leadership trainings available over the years at PCA. One of Jenna's future goals is to get her Masters Degree. Currently, she has a Bachelor's Degree in Health and Human Performance — Exercise Science and is a Certified Pharmacy Technician.

She feels like she is making a difference every day when she goes to work and loves being able to build relationships with all of our customers on a daily basis. It is hard to sometimes balance her career at PCA Pharmacy and family when your personal phone doubles as a work phone. She tries not to check emails or answer calls at night and stay present at home for her family.

Jenna Lewis

Jenna's hobbies include kickball with LXC sports, spending weekends in the summer on her boat at the river or lake, deer hunting, and helping out around their farm. Jenna lives on a cattle farm and enjoys being outside.

*Jenna's advice to her teammates would be,
"Every person you meet is a potential door to a new opportunity
- personally or professionally. Build good bridges because you
never know how they could impact the larger picture of
your life. Work hard - nothing commands more respect
than good work ethic. Always have a positive attitude."*

Quotes about Jenna!

"Jenna is a great team player and excellent resource for our customers. She steps up to fill in where needed and gives support to other field team members. One of the major objectives of the Account Management program is providing a resource that can't be found anywhere else. Jenna does this with her attentiveness to facility issues and overall advocacy for her customers. Her genuine concern for their issues and ultimately providing solutions is easily recognized."

Gordon Dixon, Director of Account Management

"Jenna takes true ownership of the facilities she is responsible for. She is their advocate and does everything she can to ensure our customers are happy with PCA Pharmacy. Jenna carries a heavy facility workload, and keeps all her facilities happy. Great commitment to the customer and PCA Pharmacy."

Bernie Gregorowicz, R.Ph., Executive Director
